Mission Statement

"The mission of The Stackpole-Hall Foundation is to first consider the needs of the people in Elk County, Pennsylvania with a goal of improving the fundamental quality of life. We will give priority to the educational, human service, and community development needs of the County."

A Message from the Chairman of the Board

While Foundations often base their capacity to do good on their investment capital, in reality, their true capital are the individuals who are responsible for the governance, policy and operation. Such is the case with the Stackpole-Hall Foundation. Accordingly, 2019 was a year of unusual change in the human capital of the Foundation.

On December 31, 2018, yours truly retired as the Executive Director after 47 years of service. I was replaced by Mrs. Jennifer Dippold, who joined the Foundation on August 1, 2018. Jen brought a wealth of experience to the Foundation, having served in a leadership role for 22 years with Dickinson Center, a behavioral health organization that serves 8 counties in Northwestern Pennsylvania. Mrs. Dippold has served and continues to serve on several boards. The most active board would be the Women Who Care Advisory Board, a Board operating under the Elk County Community Foundation. This Board enables her to continue to support and advocate for local nonprofit organizations. Giving her wealth of knowledge regarding the needs and issues confronting the areas nonprofit organizations, she is well qualified to lead the Stackpole-Hall Foundation into the next decade.

Then, in April 2019, Mr. Denny Bonanno retired as the first Secretary Treasurer of the Foundation. Mr. Bonanno skillfully served for 22 years, directing the Foundation's financial operations and facilitating special projects such as the administration of the Summer Jobs Program and the publication of the Foundation's annual report. Mr. Bonanno was replaced by Mrs. Barbara Glatt. Mrs. Glatt came to the Foundation having managed the financial operations of the Elk County Community Foundation and The Community Foundation of the Northern Alleghenies.

Change did not end with staff transformation. Over the past dozen years, several trustees have retired after years of dedicated service. At the Foundation's annual meeting in November, the Permanent Trustees appointed three new Term Trustees effective January 1, 2020 - Frank Kaul, Rory Sheble-Hall, and Devon Turner.

After years of separation, Frank brings the historical reconnection of the Hall and Kaul families. Frank is the Great-great-grandson of Andrew Kaul; who, with J.K.P. Hall formed a logging, milling, railroad, mining, and banking partnership in the late 1800's.

Rory, served as the first Chairwoman of the Foundations Youth Advisory Board, the Great-granddaughter of Lyle G. Hall, founder of the foundation, granddaughter of Lyle Hall Jr. former Chair of the Foundation and daughter of Sandy Sheble-Hall long time Trustee of the Foundation.

Devon, an attorney in Charleston, SC, is the Granddaughter of Harrison C. Stackpole one of three of the founding donors of the Foundation, and daughter of Laurey Stackpole-Turner, a current member of the Board of Trustees.

And so, as a result of our new younger staff and board members, the foundation enters its eight decade of operation, well positioned to meet the challenges of the future.

William C. Conrad

Chairman of the Board

A Message from the Executive Director

2019 had several notable moments, projects, changes, and events. In March, the Foundation welcomed Mrs. Barbara Glatt as our Finance Director. I am grateful that Barb accepted the position, knowing that the financial management of the Foundation is a key operational component. Barb is not only our Finance Director, but my sounding board, and the Board's Secretary and Treasurer. Quarterly, Barb helps me process grant proposals, so that I can provide quality information regarding these requests to the Board of Trustees.

Another notable moment, was our official farewell and retirement event for Dr. Conrad. Dr. Conrad officially retired December 2018, but did not go far, as he is the Board of Trustees Chair. In August, the Board of Trustees hosted a special retirement dinner for Dr. Conrad, his family, and the Trustees. We all had the opportunity to hear a tribute from Mr. Ray Beimel regarding Dr. Conrad's involvement in the community and his accomplishments. An accomplishment that I feel needs recognition would be the Dr. William C. Conrad Summer Jobs program. In 2019, the program celebrated 35 years. This was a vision of Dr. Conrad's and is now a staple program for the Foundation. Annually, the Trustees approve funding to support local nonprofits to employ Pennsylvania Higher Education Assistance Agency (PHEAA) eligible students for a 12-week period. Since inception, the Foundation has supported over 3,600 jobs and committed \$4.5 million in financial support.

2019 was an abundant year for the Foundation. We had the privilege to grant \$1.2 million back to Elk County organizations and other organizations near and dear to the Stackpole and Hall families. Our top three recipients include Penn Highlands Elk to support Pinecrest Manor's renovation project, WRC Senior Services renovation project, and Dickinson Center's new facility that will be constructed in St. Marys.

A final notable relates to the St. Marys Area United Way. In July, the Stackpole-Hall Foundation agreed to support the operations for the United Way. I will be the United Way Director and Barb Glatt will be the Finance Director. Stackpole-Hall is grateful for the opportunity to support the community and the philanthropy efforts of the St. Marys Area United Way.

Dr. Fran Grandinetti and Mr. Alexander (Sandy) Sheble-Hall acknowledged Bill for his year's of service and commitment to The Stackpole-Hall Foundation.

Welcome Barbara E. Glatt

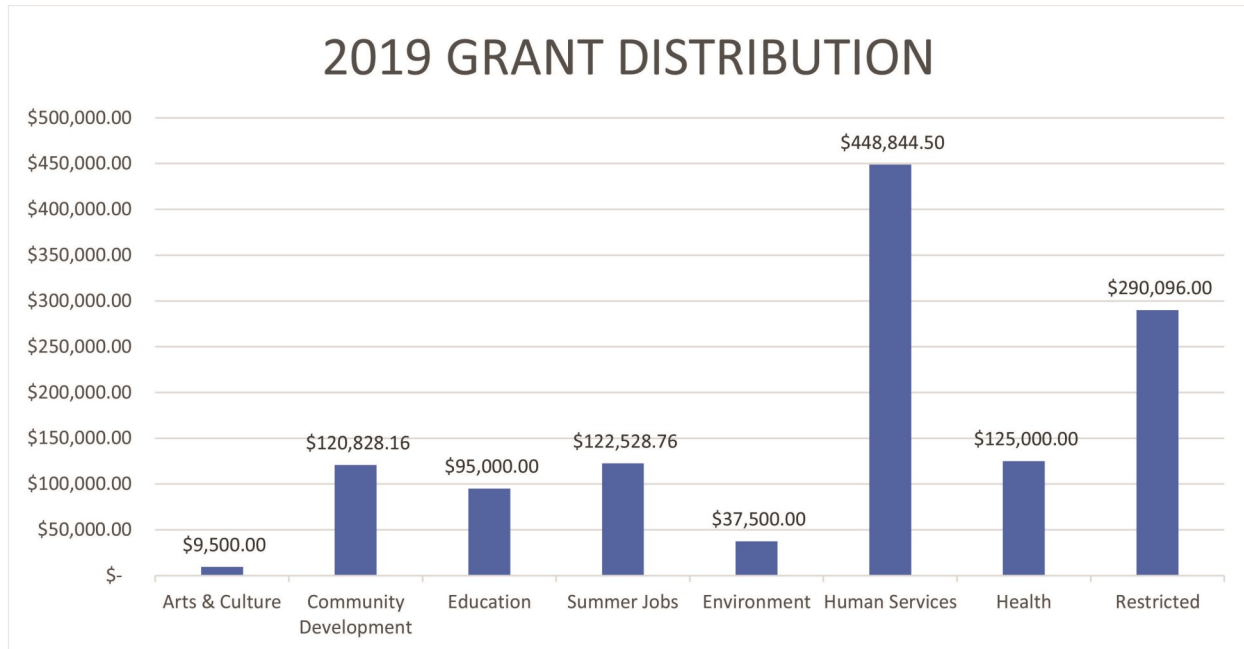

The Stackpole–Hall Foundation welcomed Mrs. Barbara Glatt to the Foundation as their new Finance Director in March 2019.

Barb is a graduate of Marywood University where she obtained her accounting degree and graduated as Valedictorian. Barb has an extensive accounting background. In the early 90's, she worked for the Department of Defense as senior auditor. Barb started as the finance director for the Elk County Community Foundation in 2015 and manages all the accounting needs for the St. Marys Public Library.

Barb resides in St. Marys, is married to Sam Glatt, and has five children. Anna, her youngest is a 7th grader at the Elk County Catholic Middle School; Victoria, is a Senior at the Elk County Catholic High School; Simon, is a Junior at Slippery Rock University; Elizabeth, resides in Sewickley, Pennsylvania and is an Associate Financial Representative at Northwestern Mutual in Cranberry; and Barb's oldest, Rachel, resides in Dillsburg, Pennsylvania, and is a middle school English teacher at Bermudian Springs School District.

Barb will be managing all the accounting functions of the Foundation and the St. Marys Area United Way. Additionally, she will work closely with the Executive Director to help guide the Foundation into the future.

TOTAL GRANTS PAID \$1,249,299

The Stackpole-Hall Foundation is prepared to assist those organizations and institutions designed to enhance the social welfare of the area. In carrying out this mission, the Foundation provides matching money grants, seed money grants, partnership grants, and, under certain circumstances, operational grants to a host of educational, health care, cultural, youth development, social welfare, environmental, and community development needs.

The Foundation's Trustees have established a policy, exceptions to which are very seldom made, designating the area of geographic priority to be Elk County, Pennsylvania, and communities in which the Donors, Donors' families, and Trustees reside.

Both Bill and Veronica graduated from the University of Miami, FL and Bill went on to receive his Doctorate from the University of Pittsburgh. Bill was the Executive Director of the Stackpole-Hall Foundation for 47 years and Veronica was a teacher. They are the parents of 3 children and have 4 grandchildren. Both have been very supportive of the animal shelters over the years in our region and continue to volunteer with many non-profits. This scholarship was established in part by the Stackpole-Hall Foundation to honor Bill for his long time service to the Foundation and his love of education.

RESTRICTED FUNDS - \$290,098

The Restricted Grants category resulted from funds designated by the bequests of Lyle G. Hall, Sr. and J. Hall Stackpole. The distribution, adjusted for the proportionate share of expenses and excise taxes, is paid annually to those organizations specified by Mr. Hall and Mr. Stackpole. The following is a listing of the earmarked recipients and the grant amounts.

Lyle G. Hall, Sr.

Lyle G. Hall, Sr. was born in St. Marys, PA, in 1886 but lived most of his life in Ridgway, PA. He attended Phillips Academy, Andover, Massachusetts, and graduated in 1910 from Yale University. Mr. Hall's community involvement was an abiding part of his personality. His dedication to the boy scout movement was probably one of his most fulfilling associations, in as much as he helped organize the Bucktail Council. Mr. Hall was known as a highly educated and refined gentleman with a great sense of humor. He enthusiastically supported every worth-while project or enterprise for the benefit of the people of Elk County. Mr. Hall passed away on April 28, 1958.

J. Hall Stackpole

James Hall Stackpole was born in Ridgway, Pennsylvania, but lived most of his life in St. Marys. He graduated from Hotchkiss Preparatory School in 1920 and graduated from Yale University in 1924. After completing his formal education, he returned to Elk County taking permanent employment at the Stackpole Carbon Company and elected Chairman of the Board, a position he held until he passed away on August 21, 1964. When he passed, the local newspaper described him as one noted for his willingness to extend a helping hand and financial assistance to an untold number of people who appealed to him, and that his life was filled with acts of kindness that have endeared him to the hearts of many.

Independent Auditor's Report

Board of Trustees The Stackpole-Hall Foundation

We have audited the accompanying financial statements of The Stackpole-Hall Foundation (Foundation), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
